

**REMARKS/ARGUMENTS**

Reconsideration of this application in light of the above amendments and following comments is courteously solicited.

Claim 18 has been amended so as to overcome the rejection set forth by the examiner in his last office action. Claim 18 now sets forth with specificity the structure of the medical tool of the present invention. It is respectfully submitted that claim 18 as now amended complies with the formal requirements of 35 U.S.C. 112, both first and second paragraphs and define over the prior art.

The early issuance of a Notice of allowance is respectfully requested.

An earnest and thorough attempt has been made by the undersigned to resolve the outstanding issues in this case and place same in condition for allowance. If the Examiner has any questions or feels that a telephone or personal interview would be helpful in resolving any outstanding issues which remain in this application after consideration of this amendment, the Examiner is courteously invited to telephone the undersigned and the same would be gratefully appreciated.

It is submitted that the claims as amended herein patentably define over the art relied on by the Examiner and early allowance of same is courteously solicited.

If any fees are required in connection with this case, it is respectfully requested that they be charged to Deposit Account No. 02-0184.

Respectfully submitted,
